Dogs are the most loyal animals on earth

## LOYALTY

He'll wait for you.  
No matter how long.

# LOYALTY

Give your dog a hug and kiss today. Let them know that they are man's best friend!

Dogs were created to bring love, happiness  
and companionship into people's lives (and  
are always there to help)

## DOGS AND PEOPLE

can come into your life as blessings or lessons. We learn things from both but honestly, dogs have taught me MUCH more about being a better person than people ever have. ~ C. Goede

## RESCUE DOG

Assists during nap attack.
