

FUN IN AND OUT OF THE WATER!

SOMERSET-PULASKI COUNTY CONVENTION
& VISITORS BUREAU • KENTUCKY

Pulaski County offers abundant produce at two FARMERS MARKETS, various roadside stands, Haney's Appledale Farm, Wilson's Strawberry (U-pick) and Bear Wallow Farm.

There's a **CAMPING** spot for you on Lake Cumberland at areas like Pulaski County Park, Fishing Creek or Waitsboro. General Burnside Island State Park offers the area's largest campground, complete with a five-lane boat launch, golf course and recreational facilities. Both Bee Rock and Little Lick in eastern Pulaski County offer primitive camping near the rugged Rockcastle River. Complete list of campgrounds on page 25.

The Lake Cumberland area is known for many natural woodland areas that remain today just as Daniel Boone would have seen them. The Daniel Boone National Forest in the east and **BIG SOUTH FORK** National River and Recreation Area in the south are deep green jewels just waiting to be explored.
